

Egg Harbor Township Volunteers Background Checks

As per Egg Harbor Township Ordinance No. 46 of 2007, which is an Ordinance establishing Chapter 90 of the Township Code entitled "Criminal Record Checks for Employees and Volunteers" involved with Township Non-Profit Youth Organizations to submit to a criminal history background check. In 1999, the State Legislature of New Jersey made it legal to conduct background checks on volunteers. As a volunteer, which included board members and coaches you are responsible for the \$24.05 fee that is charged to conduct your fingerprinting and background check. However, at the end of each season the Township of Egg Harbor will process payment upon request to the various volunteer sport organizations half the fee (\$12.03) for each coach that they verify has completed the background check. Each organization has its own policy on reimbursement. It is suggested that you consult with the organization that you are volunteering for in order to determine what its policy is for the reimbursement of this fee. Remember, the Township will only process the re-imbusement to the various organizations at the end of each season. All individuals must be checked, regardless of previous criminal background checks at an earlier time. THERE ARE NO EXCEPTIONS
