Naughton has to take care of a few of her duties before she is permanently done, including M.Culligan's account. Gresham says TD bank charged him for making a cash deposit. April 27-28 tournament is a big tournament; however, there are 3 rec games on a Friday night. Last game starts at 6:45. The field crew need to be informed to not stay past the last game and come in in the morning instead to line and drag the fields.

We will need a lot of help, including the snack stand, field maintenance and grill. C.Culligan suggests contacting Hot Bagels since they've donated bagels in the past to EHTYS. It is suggested by the board to keep the menu shorter, so it is easier to maintain while the rush hour. Menu will include meatball sandwiches, soft pretzels, chicken, fries (keep them in the oven on warm), and hot dogs. No mozzarella sticks.

We need smaller boats for serving food.

For the umpires, one drink and one food item.

For the tournament days keep the menu on the screen. The rest of the week, while rec is playing, we should lower the prices for drinks and some other items.

Field 7: Temporary mound needs to be added for 12u and fix the damaged mound that is set for 14U.

May,4 and May 18-19 tournaments: 10U F5 will not participate.

AllStars: rec is open to 75%/25% ratio, you cannot cut an EHT resident in order to accept an out-of-towner. Can take a kid from a town that doesn't have Babe Ruth League.

Districts are in Vineland.

States are in EHT. Opening night is June,26. Skill competition will take place on the opening night.

World Series July 23-31. Florence, Alabama.

Purchases: EHTYS should set up a tax free Amazon account, since we are a non-profit organization.

Ice bandages, getting fridge and freezer, just need to get the coke fridge out

.

Field 4, 6 and 7 do not have gates. The camera needs to be pointed towards Field 7, not the shed. A.Gresham wants to attend the meet up with the camera guy.

S.Gentile got in contact with the electric company in order to get lights on the parking lot. We could have a timed light that is off by 10-11. The garage door just got the batteries changed.

Need more batteries AAA,AA.

Fall ball: Vineland, SP, Ventnor, Northfield.

By Laws: JR Gentile offers to tackle one amendments a time with Blankenbuehler and H.Devine being the members of the BYLaw Committee.

Article 6 Propose an amendment of minimum of 60% or $\frac{2}{3}$ of all home tournaments.

JR proposes to work on one amendment at a time. Whatever is ready by August will be approved by Rec in December.

ByLaws have to be read 3 times after the President approves the currently suggested changes.

M.Culligan makes a motion to end the meeting. A.Gresham seconds. All in favor.
