President's report:

Fall Ball: the rec season has been going successfully with the snack stand sales exceeding the tournament snack stand sales. With that said, EHTYS has to focus on attracting more participating teams to play at the home tournaments, mostly the same age levels as the hosting

F-5 teams: 10U (so far, looks like will only get to play in one home tournament Who let the Bats Out?), 12U (wasn't able to fill the age level for Save the Second Base), 14U and 16/18U (hasn't filled the bracket for Save the second Base tournament).

EHT fields can be used to successfully sustain a tournament up to 26 teams, accommodating all age levels. Thinking about the spring season, EHTYS Board and the tournament director should maximize the resources and focus on bringing more participating teams to play in EHT.

All Stars : considering the previous years successful turnout, EHT is hosting The States again. J.Gonzalez suggests that there should be a BMOD on every field where the skill competitions are held to ensure the correct explanation of the rules, fair judgement and time management. Even at younger age levels, like 8U and 10U, there should be a qualified coach/board member (whose background is checked and valid) present; however, teenage volunteers are permitted to help run the skill competitions. Expecting a great crowd for the AllStar Opening Ceremony as well as the games, we will need all the volunteer help possible: snack stand duty, working the grill, field maintenance etc.

The AllStar tournaments:

June (dates and location are undecided)

June, 25-29 States (hosted by EHT)

July, 9-13 Regionals (hosted by Vineland)

July, 31- August, 10 The World Series - in Alabama

Voting: JR Gentile has announced his stepping down from the VP position and nominated B.Reed for the position of VP. B.Reed accepted. C. Culligan makes a motion to move JR Gentile to the Field maintenance position. JR. Gentile accepted. There are no other nominations for the VP position. J.Gonzalez has also accepted the nomination to maintain the secretary position. All in favor. H.Gresham has announced her stepping down from the Field Coordinator position; however, H.Gresham is willing to remain an active general member.

M.Culligan made a motion to end the meeting. JR. Gentile seconds. All in favor.

Meeting adjourned at 5:45 pm.
