**Recent/Upcoming expenses:** Chilly was supposed to meet us to go over the f regarding the tournaments, umpire fees, etc. The April tournament made \$4,215.03. The May Mayhem tournament was canceled due to the rain. The refund was agreed to be 75%. The board suggests a donation of \$1600 to #AllyStrong. Naughton makes a motion to approve it, Culligan seconds. All in favor.

The scholarship contest wasn't advertised for EHTHS. With the deadline being originally set for Monday May,22. The deadline is decided to get extended to give former rec softball players a chance to win a scholarship.

We cannot book another tshirt vendor since we have a contract with Fine Designs till the end of June. However, the recently found Champro rep who is selling a variety of products that would appeal to the softball families, is willing to come back for the future tournaments in fall.

**AllStars:** \$325 per team (\$50 goes to the state of NJ), EHT teams are free. Wednesday June,21 is the opening night. We have 2 food trucks, dunk tank, tshirt vendor. Events for the States: HR derby, star drill etc.

**Snack stand:** The AllStar contract states that every player's family is obligated to work a snack stand duty during the AllStar States games that EHTYS is hosting. The schedules will be put together according to the game schedule.

**National Nightout:** We will need volunteers for the August, 1. We're setting up a batting cage to attract interaction with the crowd, give away glow sticks and sell soft drink, water and small snacks.

A.Gresham makes a motion to end the meeting, Gonzalez seconds. All in favor.
